GPC Recommendation: A previous application which proposed linking the development to the lodge building was refused. A subsequent application which separated the development from the lodge was approved. This application seeks to reinstate the link between the development and the lodge as per the original application.

While we can see the benefits of the proposal we will defer to the conservation officer for decision.

4. NDP – The inspection of the final plan has been completed and the plan will go to referendum in November 2021.

The next meeting of the Planning Committee will be on Tuesday 14 September 2021 at 6.30pm in the Parish Hall.

The meeting closed at 7.07 pm

## NDP Policy Summary

Below is a summary of the policies in our Neighbourhood Plan. The table outlines the overall policy intent. Many of these policies are very detailed (Policy D1 is a good example) and the full policy and the supporting description should be used as the basis of any decision making.

Policy Area	Policy	Overall Policy Intent
<b>Landscape and Environment</b>	L1 Development within the AONB	To ensure that any development complements the AONB and improves the rural environment
	L2 Development Outside the AONB	To ensure that development in areas of the Parish that adjoin the AONB are of appropriate high quality
	L3 Retain the Profile of our Hilltop Villages	To manage development on the slopes of our settlements and in prominent positions and to maintain a distinct green gap between our settlements
	L4 Conserve Landscape and Heritage Assets	To protect, celebrate and pass on for future generations, the area of rich landscape and heritage in which we live
	L5 Gap between Goudhurst LBDs	To retain the gap between the two Goudhurst Limits-to-Built-Development (LBDs) from coalescence or erosion
	L6 Biodiversity	To ensure new development provides a net gain in biodiversity and does not adversely impact the natural environment
	L7 Trees	To protect the important trees and ancient woodland in the Parish
	L8 Protect dark Skies 'Nightscape' and minimize Light Pollution	To protect the intrinsically dark rural landscape and dark skies ('nightscape') by considering the impact of new building and alterations on the 'nightscape'
	L9 Local Green Spaces	To identify Local Green Spaces in our community that will be protected from future development
	L10 Views	To limit the visual impact of any development in the landscape and views are important considerations when making planning decisions.
<b>Community &amp; Wellbeing</b>	C1 Community Facilities	To support improvements in facilities and amenities
	C2 Accessibility	To ensure new development is accessible to all
	C3 Developer Contribution	To explore options for developer contributions to enhance community life
	C4 Assets of Value within the Community	To protect significant assets in the Parish from change or loss
	C5 Broadband and Mobile Infrastructure	To support the provision of improved service within the Parish
	C6 Protecting & improving Public Rights of Way	To protect and, where possible, enhance the existing public rights of way network and its setting.

<b>Housing</b>	H1 Housing Mix	To require mixed development with an emphasis on smaller homes to meet local need
	H2 Affordable Housing	To ensure developments include a mix of tenures
	H3 Allocating Affordable Housing	To ensure local people have priority when allocating affordable housing
	H4 Rural Exception Sites	To actively seek rural exception sites
	H5 Replacing or combining Existing Dwellings	To provide guidance and to control the size and scope of replacement dwellings
	H6 Conversion of Existing Buildings	To provide more commercial or residential properties using redundant buildings
<b>Business</b>	B1 New Business Space	To encourage the development of businesses and employment, making Goudhurst a good place to invest
	B2 Retention of Business Premises	To support and retain shops and businesses in our community
	B3 Adaptation for Live/Work	To provide guidance around developments intended for live/work use
<b>Design</b>	D1 Design Considerations	To provide guidance on our expectations of good design in our community
	D2 Boundary Treatments	To set expectations on how boundaries in new development should be treated
	D3 Climate Change	To require new homes to be more efficient and future-proofed with regard to drainage, the collection and re-use of water, and power generation and storage
	D4 Inside the Conservation Areas	To provide guidance on development within the conservation areas
	D5 Outside the Conservation Areas	To provide guidance on development outside the conservation areas
	D6 Extensions	To provide guidance around the size and scale of developments
<b>Traffic</b>	T1 Parking in New Development	To ensure higher standards of parking in new developments within the commercial centre of Goudhurst village
	T2 Safe Access and Sustainable Transport	To ensure that new developments do not inhibit free-flow of traffic or increase parking on local roads; and to seek mitigation where needed
	T3 Traffic Mitigation	To ensure that where possible new developments provide safe pedestrian access to bus stops, schools and other village facilities.
