Every English parish must hold a parish meeting which must assemble annually between 1st March and 1st June (Local Government Act 1972). Although it is convened by the Parish Council with the Chairman of the Parish Council presiding, the Annual Parish Meeting is not a Parish Council meeting. It is a meeting of local government electors registered for the area in which it is held. Although the legal requirement is for one parish meeting to be held, by custom and practice meetings are held at both Goudhurst and Kilndown.
